**PORTABLE
& MOBILE TOILETS**

COMPANY PROFILE

We offer a wide range of portable toilets, mobile toilets, bio toilets, bio tanks. our entire range of products meets the highest standards of quality and can be made available in different specifications. AR industries forayed into the manufacturing of mobile toilets in the year 2005, setting high standards of quality products in the market. We consider hygiene and sanitation as basic necessities for every being and so with our high quality products, we ensure that these needs are adequately met.

Our commitment to manufacture quality and deliver satisfaction within the budget has brought us this far. use of latest technology, well developed infrastructure, undying efforts of well knit team of workers and exemplary time management are our strengths, enabling us to carry out our manufacturing and supplying process efficiently and within the stipulated time. with each passing years, the company has shown considerable growth, met customer expectation exceptionally well and set a benchmark in manufacturing wide range of products. during these incredible years, we have achieved 50% growth and are aiming to make it 75%. our clients trust deliverance, motivates us to aim higher & achieve unprecedented heights in near future.
